

THE "DON'T" CLUB SAYS GOODBYE

WESTERN HORSE
WINS HANDICAP

Ram's Horn Captures Richest of Season's Prizes at Brighton Beach.

WINNER WAS PLAYED POPULARLY AT POOLS

First Mason Closed in Fast on Finish, Losing Only by a Neck.

NEW YORK, July 14.—Ram's Horn, four-year-old son of But-Aunt Tessa, owned by Capt. W. S. Williams, a Western horseman, and ridden by Jockey Sewell, won the rich Brighton handicap at Brighton Beach this afternoon before a crowd which completely overtaxed the facilities at the seaside track. The Western colt went to the post at 5 to 2 in the betting, being second choice to Dandelion, the favorite, at 4 to 1.

Pressed Winner at Finish. Pressing the winner at the finish was First Mason, who finished second, beaten a neck. A length further back and taking the short end of the purse, was Tokalon, winner of the Brooklyn handicap. All three horses that finished in the money are owned by Western men. First Mason was 10 to 1 in the betting, while 20 to 1 was freely given against the chances of Tokalon.

Victory Was Popular.

Ram's Horn's victory was very popular, for he was probably the most popularly played horse in the race, and the only one to be backed down from the opening prices. The first price laid against him was 5 to 1 and despite the golden stream which poured in on Dandelion, Whimsical, Flip Flap and several others of the most fancied horses, the play on Ram's Horn forced the bookies to cut to 5 to 2. The time of the race was 2:03 3-5, which, while not threatening Brookstick's record of 1:45 1-5 made in this race two years ago, is considered rather fast for the mile and a quarter distance.

How Money Was Divided.

The Brighton, which has a guaranteed value of \$25,000, is the richest of the alleged handicaps and, coming late in the season, participated in by horses of known quality and fitness. Ram's Horn's share of the purse was \$10,000, while \$3,000 went to C. E. Rowe, owner of First Mason, and \$2,000 to W. Fuller, owner of Tokalon, who finished third.

Dandelion Was Favorite.

Go Between, the winner of the Suburban, could not run today because of the protest which was lodged against him by Frank R. Hitchcock, owner of Dandelion. Despite the bad luck in all his races this year, Dandelion was made favorite today, opening at 3 to 1 and receding to 4 to 1, but still retaining the position of honor in the betting.

Start Was Good.

The start of the Brighton was good for all but Kuroki, who was practically left at the post. Dandelion, Calrorn and Whimsical cut out the pace throughout the first seven furlongs, where Calrorn dropped back, turning into the stretch Dandelion had a slight advantage over Glorifier and Flip Flap. Meantime Sewell had been holding Ram's Horn behind the pace-makers, but always within striking distance.

Finish Close and Fast.

Once the stretch was reached Ram's Horn forged to the front with a rush and was winning with comparative ease, when First Mason got near of the field 100 yards from the wire and closed so fast that Sewell had to ride Ram's Horn hard to win by a neck.

Tokalon also closed with a great kick, taking third honors from Glorifier within the last few strides. Results: First race, steeplechase, about two miles—Phantom won, Patagonian second, Saline third. Time, 4:25. Second race, six furlongs—Tiptoe won, Nannie Hodge second, First Preliminary third. Time, 1:12 4-5. Third race, five and a half furlongs—Mountain Blue won, Salidore second, Gallant Dan third. Time, 1:07. Fourth race, the Brighton Handicap, \$25,000, mile and a quarter—Ram's Horn, 114 (Sewell), 5 to 2, won; First Mason, 114 (Martin), 10 to 1, second; Tokalon, 115 (Bedell), 20 to 1, third. Time, 2:03 3-5. Glorifier, Whimsical, Dandelion, Cedarstrom, Flip Flap, Calrorn, Dollie Sparker, Hamburg Belle and Kuroki finished in the order named.

Fifth race, mile and one-sixteenth—Leah won, Charlatan second, Mite Green third. Time, 1:47. Sixth race, five and a half furlongs—Altuda won, Waterbury second, Frank Gill third. Time, 1:07 2-5. Seventh race, mile and one-sixteenth—Vino won, Mandarin second, Telephone third. Time, 1:45 3-5.

Fourth race, mile and one-sixteenth—Hippocrates won, Dewey second, Rightful third. Time, 1:46 3-4. Fifth race, five furlongs—Grace St. Clair won, Native Son second, Tony Faust third. Time, 1:07 1-2. Sixth race, five furlongs—Misty's Pride won, James A. Murray second, Fearless third. Time, 59 3-4 seconds. Seventh race, mile and a quarter—Tony Miller won, Harbor second, Lombard third. PAGE FOLLOWERS WILL
FIGHT FOR SUPREMACY

Downing, Samuelson and Munroe Will Speed Around Saucer Behind Noisy Motors.

W. E. Samuelson will make his first appearance this season as a follower of motor pace next Tuesday night. He will be one of three to compete in a ten-mile motor paced match race. The other two will be those good tacker-on, Hardy Downing and Benny Munroe. That Sammy will have to "go some" to win is conceded by everyone who has at all watched the progress of events at the Salt Palace. He is the "unpaved king" of the bowl, but that will scarcely help him in a race in which the men are paced by the chug bikes. At the same time it is no "clinch" that Downing will have an easy time of it, although his work in the five-mile race of a week ago would seem to indicate him as the probable winner. It is feared by his friends that the distance is too great for him, and that either Samuelson or Munroe is likely to annex the honors in a race twice the length of the one in which Hardy made his biggest impression.

Downing, by the way, is riding better than ever in his life. His capture of first place in the three-quarter-mile handicap of Friday night constituted one of the most sensational finishes yet seen at the track. Hardy has always been known as a desperate rider—one who would take any kind of a chance. He took a most dangerous one at the finish of the short-distance event the night of the 13th. With Lawain swinging round the bend in that wonderful sprint which the fans have cheered so often, Downing cut in and effectually prevented Iver from getting the pole. It was a case of "first come, first served," with the danger of a skull to Hardy in case he shouldn't get there. Just as a halfback in a football game sees an opening in a flash and dashes through it, so did Downing kick his way through an aperture which few other riders would have discovered. He had a sliding experience of half a lap on the cement path before this and yet he slipped through and got first place.

There are those who reckon Munroe in the money in the ten-mile event. Benny is a plunger, if good pace is furnished him, and he can go ten miles as easily as five. Samuelson also, of course, is a plunger, so it really looks as though Downing might have a hard time establishing his supremacy. A great deal depends upon the motors, naturally. Sammy will have the advantage of securing pace from his brother's new eight-horse power machine, which is now working nicely. That will be a big help to the "Pride of Prove," but at the same time, each of the other contenders has his admirers and there will most likely be many a dispute before the honors are finally settled.

BLOW AT AMATEUR BOXERS.

Pacific Athletic Association Will Sustain No Glove Contests in Future.

SAN FRANCISCO, July 14.—Boxing has been dropped from the list of sports controlled by the Pacific Athletic association and in future no sanctions for exhibitions will be granted to clubs. Such action was taken at a meeting of the association at the Olympic club last night without a dissenting voice. As a result there will be no more four-round bouts for medals. This action was taken on account of the fact that at the national tournament recently held in this city so-called amateur boxers demanded either cash prizes or trophies of more value than designated by the association.

RETAINS WELL
CHAMPIONSHIP

In Addition, Miss Sutton and Partners Win in Two Other Events.

NEWPORT, England, July 14.—

Miss May Sutton of California had a very easy victory today in the final ladies' singles in the Welsh ladies' championship tennis contest. Her most formidable rival, Mrs. Sterry, sprained her ankle and was forced to retire after reaching the semi-final, although she was able to continue playing in the doubles. Miss Garfitt, to whom was left the task of trying to wrest the championship from Miss Sutton, is a good player, with good judgment and many excellent strokes, notably a fine side line drive, but Miss Sutton did not give her a chance. With a killing service and a drive of remarkable power, the California girl played Miss Garfitt and lost only one game in two sets.

Rose to Occasion Magnificently.

Miss Sutton showed to even greater advantage in the ladies' doubles. With her partner, Mrs. Sterry, partly crippled, most of the work devolved on the plucky Californian and she rose to the occasion in magnificent style. In the handicap she and her partner won easily. They also won the scratch. Miss Sutton's only reverse occurred in the mixed doubles, where she was handicapped by a weak partner. In the final of the ladies' open doubles Miss Sutton and Mrs. Sterry beat Miss Garfitt and Miss Boucher, 6-2, 6-1.

COMMENCE TRAINING.

Coach Elwood Brown Calls Y. M. C.

A Basket-Ball Aspirants Together.

Midsummer is rather early to begin basket ball practice, yet the local Y. M. C. A. team has already started to organize for the heavy fall series that they have outlined. Elwood Brown, formerly coach of Illinois, will be in charge of the team. He believes in early training, beginning with light practice in passing the ball quickly and accurately, making the men accustomed to handling it. Already about twenty men have reported for practice, and more have signified their intention of joining later, so that the prospects for the State championship look very bright. The Christians have been admitted into the State league and in addition to playing league teams, they will probably meet several outside teams of prominence. Mr. Brown at present is social director at the Y. M. C. A., having arrived some time ago from the University of Illinois, where he had charge of gymnasium athletics.
